News of Battle Undecisive-Government Forces May Be Defeated. Panama, Oct. 31 .- A cablegram was re ceived here from Managua, Nicaragua, fought between the government forces and the revolutionists. The message was brief, and failed to give the result of the fight. From this it is supposed that either the battle was indecisive or that the government forces lost.

President Zelaya controls the cable office at Managua, and it is reasonable to suppose if the government forces had won a victory the facts would have been ent broadcast.
